## INSTRUCTIONS FOR COMPLETING THE DECLARATION

**Instructions:** It is recognised that the Competitor and the driver may be the same individual and the Competitors Licence will be common to both. Nevertheless, both Competitors and Drivers sections must be completed separately.

The table of Recent Competition and Scrutiny History will be used by the Chief Scrutineer of the Meeting for which you have entered to assist with the determination as to whether or not your vehicle will be subject to Targeted Scrutiny. To this effect, any scrutiny of your car carried out by the scrutineers at a previous meeting under the existing scrutiny structure or at non race meetings shall not be considered as an Audit for the purposes of this document.

- Show the most recent meeting at the top. Include Non Race Meetings in this table
- If your vehicle was subject to Targeted Scrutiny at the relevant Meeting, circle Yes, otherwise circle No.
- If a notation was made in the Log book at the most recent meeting that Mandatory Scrutiny was required at the next meeting, you must circle Yes.
- If your car has been subject to a Targeted Scrutiny session away from a Meeting, the date and place of this Out of Session scrutiny should be recorded in the table as shown. A log Book entry must be made by the licensed scrutineer.
- If your vehicle has competed in less than 5 previous Meetings, write the words "New Vehicle" as appropriate.

**Note 1:** Where a vehicle is issued with a log book, it must be presented at each Meeting held under a CAMS Permit for which the vehicle is entered, regardless of whether the nature of Meeting is one for which a Log Book is not required.

**Note 2:** If it has been more than twelve months since the vehicle was last subject to Targeted Scrutiny, the vehicle will not be permitted onto the track until scrutiny has been performed. It may not be possible to check your car at the Meeting before your first session, or even at all. To avoid possible disappointment, you are therefore strongly advised to consider organising Out of Session scrutiny prior to the Meeting.

**Note 3:** These Meetings will be checked against the notations recorded in the Log Book. Making incorrect or misleading statements on the entry form is a breach of NCR 82

## MAINTENANCE SCHEDULES

The following table is provided for guidance only. It lists some items that it is reasonable to expect would be included in a regular maintenance schedule. You are also encouraged to carefully check the prescriptions of Schedules A, B and C, as well as any other general requirements referred to therein. There many other aspects peculiar to each particular vehicle that need to be checked, and it is impossible for these to be listed in a generic document such as this. If you are unsure of what should be included, you are encouraged to contact an experienced race car preparer who may be able to assist on a commercial basis.

## WHAT IS REQUIRED AT TARGETED SCRUTINY

If your vehicle is selected for Targeted Scrutiny, you must present the vehicle at the time and place as directed by Officials of the Meeting. This check will take between 10min and 30 min. The Competitor is responsible for providing sufficient equipment and personnel to enable all disassembly that may be required, under the supervision of the scrutineers. As a minimum this will require that the car be lifted from the ground and all 4 wheels be removed. The removal of the airbox and/or air cleaner may also be required in many cases to enable engine inspection.

If there are pressing reasons why you cannot attend at the appointed time, contact the Chief Scrutineer as soon as possible and it may be possible able to arrange an alternative time.
