## 12 MOTORSPORT LEGENDS AT SYMMONS PLAINS

Spectators will be rubbing shoulders with a host of Australian motorsport legends at Biante Power From The Past in early April.

In what organisers believe to be the largest gathering of legends in Tasmania since the '70s, Biante Power From The Past is set to become a leading annual event on the Tasmanian calendar.

Running Saturday 12 and Sunday 13 April at Symmons Plains International Raceway, Biante Power From The Past has confirmed the attendance of 12 key names in motorsport; what event organisers are calling 'Power Legends'.

The Power Legends group will feature locals Tony Edmonson and father and son combination Graham and David (Skippy) Parsons, along with those travelling from other parts of Australia including Event Patron, Kevin Bartlett, Brian (Brique) Reed, Murray Carter, Fred & Christine Gibson, John Harvey, Phil (Splitpin) Brock, Barry Cassidy and Bob Holden.

According to racing enthusiast and event organiser from the Group C Touring Car Association, Mr Ian Cowie, this will be the biggest single gathering of so many important Australian motor racing personalities in Tasmania since the '70s.

"We are so excited to have such an impressive array of Power Legends attending this year," said Mr Cowie.

"When you couple our legends with the on-track Group C, Improved Production, Historic Touring car and regularity racing over the two days and the off-track car displays and family entertainment, Biante Power From The Past is set to be Tasmania's premier historic motorsport event."

Biante Power From The Past will be held at Symmons Plains International Raceway on 12-13 April 2008. Anyone wanting to race or display their historic cars should contact the Group C Touring Car Association on ph 02 9638 1155 or email [jubarson@bigpond.net.au](mailto:jubarson@bigpond.net.au) for entry forms and further details.

Spectator tickets are available from Ticketmaster on ph 13 61 00 or visit [www.ticketmaster.com.au](http://www.ticketmaster.com.au) with early bird (for pre-7 March purchases) and family discounts available.

ENDS.
